Tim Anderson  
If It's Water, Inc.  
2090 Bondsville Road  
Downingtown, PA 19335

Dear Tim:

This letter is in appreciation of your work at Radnor High School and can serve as a letter of reference in regards to your UV systems. Since the installation of the ETS UV Disinfection Unit, our pool area no longer smells of chlorine and complaints of swimmers and pool area occupants have been eliminated. The system is simple, requires no frequent maintenance and provides for a much safer environment for our users. Aside from the unit itself, your installation was clean and professional. Your training was clear and your follow-up was much appreciated. Thanks again for your service and I look forward to working with you to maintain our system.

Sincerely,

Leo J. Bernabei  
Director of Operations
